R&D	AGGREGATE DISCLOSURE												
	Transfers of Value re Research & Development as defined												13377335

Health care professional (HCP) refers to a doctor, dentist, pharmacist, nurse or other health care personnel who have the right to prescribe, purchase, provide, recommend or administer medicines, including employees of pharmaceutical companies whose main occupation is in health and healthcare. Other employees of pharmaceutical companies or pharmaceutical distributors are not covered by the concept of health care personnel.

Healthcare (HCO) refers to any legal entity that conducts healthcare or research or teaching in this field, or is an interest organization with a medical or scientific focus, with the exception of interest organizations referred to in LER Chapter 3.

Transfer of value for research and development means transfer of value to recipients in connection with the planning or execution of (i) non-clinical study (defined in the OECD Principles of Good Laboratory Practice), (ii) clinical trial or (iii) non-interventional study that includes collection of patient data from or on behalf of healthcare professionals.
